Air & Waste Management Association

An A&WMA student membership can help you:

Jump-Start Your Career

Log into A&WMA's online Career Center, where you can browse the latest job listings, upload your resume, and access a range of valuable career information. A&WMA also offers Webinars on environmental careers that will give you the inside scoop on jobs in the field directly from industry leaders.

Pay for Your Education

A&WMA knows that the future of the environmental industry lies in the hands of students. To help dedicated students reach their goals and to ensure the future of the profession, each year A&WMA awards scholarships to outstanding students to help with tuition and other expenses. Since 1987, A&WMA has awarded more than $380,000 in scholarships.

Expand Your Network

As a member, you'll have access to more than 8,500 environmental professionals worldwide via A&WMA's online membership directory. In addition, you'll have the opportunity to network face-to-face with these professionals at A&WMA's conferences and events held throughout the year.

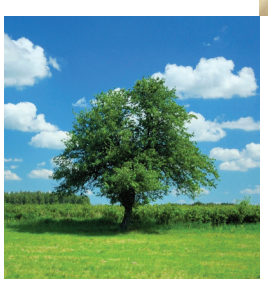
A&WMA's biggest networking event is the Annual Conference & Exhibition (ACE) where you can rub elbows with over 2,400 environmental professionals while enhancing your industry knowledge. Students receive discounted registration fees to all A&WMA events including ACE, which features a unique student program that includes career presentations, individual and team competitions that offer cash prizes, social events, a student awards ceremony, and more!

Students can also participate locally by joining an A&WMA student chapter. With over 60 student chapters worldwide, members have the opportunity to meet frequently to discuss current issues with their peers in the region.

GET THE INFORMATION YOU NEED

To get started or get ahead in the environmental industry, you need to be current on the latest research, policies, and trends. As a student member, you'll get this and more with access to the *Journal of the Air & Waste Management Association, EM* magazine, and the Online Library, A&WMA's growing database of technical information.

These are just a few of the benefits of an A&WMA student membership. Visit www.awma.org to find out more about A&WMA or contact a member services representative at +1-412-232-3444.



MORE ABOUT A&WMA

Established in 1907, A&WMA is a nonprofit, nonpartisan professional organization that enhances knowledge and expertise by providing a neutral forum for information exchange, professional development, networking opportunities, public education, and outreach to more than 8,500 environmental professionals in over 65 countries.

Free Gift for Graduates

The benefits of your A&WMA student membership won't just disappear after graduation. To help you make the transition into the professional world, A&WMA offers a free one-year membership as a gift to graduates. Take advantage of this offer to stay connected as you transition into your role as an environmental professional.
