

Appendix D: Petition for student chapter charter

Petition for Student Chapter Charter

We the undersigned, on behalf of the members of our local group petition the Air & Waste Management Association for a Charter under the name of (list name here). We agree to be governed by the Constitution and Bylaws of the Association. We understand that to qualify as a Student Chapter, we are required to have at least 10 International Members of A&WMA as full-time students at our institution and a faculty advisor who is also an International Member of A&WMA. We petition for Student Chapter status with the following 10 signatures of current A&WMA International Student Members:
