DISNEY PALM GOLF COURSE

2011 A&WMA Scholarship Open

Monday, June 20, 2011

8 AM Tee Time

Disney's Palm Golf Course

The 2011 Air & Waste Management (A&WMA) Scholarship Open will be held at the renowned Disney's Palm Golf Course located in Orlando, Florida. The Palm will allow you to experience the natural beauty of the Florida woodlands which features shimmering lakes and tropical sands, all across a golf landscape that's dotted with strategically placed palm trees. Challenging but fun for the recreational golfer, the course will test your skills through elevated greens, 9 water holes, 94 bunkers, and a fair sprinkling of water and woods. As you play, you may even encounter deer and other wildlife. Disney's Palm Golf Course has received an excellent rating of 4 stars by *Golf Digest*.

Preview the course at <http://disneyworld.disney.go.com/golf/palm-golf-course>. The golf fee of \$135 (or \$500 for a foursome) includes practice range balls, green fee, golf cart, beverages available throughout the course, lunch, and plenty of door and skill prizes. We are also incorporating sustainable practices into the golf tournament this year, including providing mass transportation to the golf course.

Support Scholarship...Make New Important Business Connections

The main goal of this tournament is to raise money for scholarships awarded through the A&WMA which helps students pursue studies in environmentally related disciplines. This is also a great opportunity to raise awareness about your business. The tournament will be an exceptional venue for sponsors to receive exposure to regional and national businesses and for participants to network. Sponsors at all levels will be advertised at the tournament and acknowledged at the awards party after golfing. Also, all sponsors will be listed on the golf tournament webpage of the A&WMA website. For more information or to become a sponsor, please contact Josh Ellwein at jdellwein@tecoenergy.com or 813-695-1692, or Veronica Figueroa at vfigueroa@golder.com or 813-287-1717.
