

Terms and Conditions for Online Subscribers to A&WMA's Online Publications

- *The Journal of the Air & Waste Management Association*
- *EM* magazine
- The A&WMA Online Library

* Much of the wording below has been reprinted with kind permission from the Journal of American Animal Hospital Associations (www.jaaha.org).

The following terms and conditions provide Online Subscribers with a set of simple, fair rules governing rights and limitations for Internet access of the *Journal of the Air & Waste Management Association*, *EM* magazine, and the A&WMA Online Library (collectively called Online Publications) by Authorized Users. These guidelines supersede any prior understanding between the Publisher (the Air & Waste Management Association, or A&WMA) and the Online Subscriber regarding user access to Online Publications.

Access to Online Publications is granted for all Authorized Users on the following conditions:

- Publisher's acceptance of the Online Subscriber's completed order; and
- Receipt of the required subscription fee.

In consideration of the payment of the appropriate subscription fee, the Online Subscriber and the Publisher agree to adhere to the following guidelines:

1. The Online Subscriber will undertake all necessary authentication and verification processes to ensure that only Authorized Users can access A&WMA's Online Publications. "Authorized Users" are authenticated, authorized, current full- and part-time students, employees (including faculty, staff, affiliated researchers, and independent contractors), and other individuals who have permission to use the public computers on an Online Subscriber's geographically constrained site. For the purposes of online subscriptions, the following categories of Authorized Users are considered:
 - a. **Institutions of Higher Learning:** Within this category, online access is provided to an unlimited number of IP addresses under one institutional (e.g., university, college) subscription. This applies to all off-site campuses and satellites, both within the institution's state/province/country and abroad.
 - b. **Government Agencies:** Within this category, separate branches of the parent agency (e.g., U.S. Environmental Protection Agency, Environment Canada) are considered independent of the parent organization and each other, and must purchase their own subscriptions to gain access to A&WMA's Online Publications.

- c. **Corporate and For-Profit Libraries:** Similar to government agencies, “main” corporate and for-profit libraries are considered independent of any branches or satellite offices, which are required to purchase their own subscriptions.
2. **SUBSCRIPTION ACCESS:** An online subscription permits simultaneous Internet access to complete Online Publications content by Authorized Users for the entire subscription term. The following access restrictions and conditions apply to all online subscriptions:
 - a. Only workstations with IP addresses registered with the subscription may access subscription content. It is the responsibility of the subscribing institution to provide the Publisher with current and complete IP address ranges.
 - b. The Publisher provides access to Online Publications only for the term of this subscription and does not undertake to ensure future access to the online archives once the subscription term has expired. The Publisher intends to retain full-text versions of all articles for all past issues posted online and to continue to make this database available to all currently active subscribers. However, because Publisher cannot be certain of future technology, storage, or maintenance costs, this access cannot be guaranteed. The Publisher reserves the right to remove all or portions of the archive of past issues. Only current subscribers may access materials under access control.
 - c. Access by a closed internal proxy server is allowed; **access by open proxy server is not allowed.** Authorized Users may access Online Publications via an authenticated proxy server in transparent access mode.
 - d. Secure proxy access from off-site locations is allowed for persons with a current, authenticated affiliation to the subscribing Institution. This includes full- and part-time students and employees (including faculty, staff, affiliated researchers and independent contractors). It does NOT include individuals who simply have permission to use the public computers on the subscribing institution's campus.

3. The Publisher maintains Online Publications as a service to its members, the scientific/technical community, and the general public. The Publisher holds the copyright for all works published in the *Journal of the Air & Waste Management Association*, unless otherwise expressly noted. Copyrights for works published in *EM* magazine and A&WMA conference proceedings are retained by the authors.
4. All use of content in Online Publications is subject to applicable copyright law, and reproduction is allowed only as follows:
 - a. Downloading: Downloading, printing, or saving of content for personal, non-commercial use is permissible. Systematic downloading is forbidden.
 - b. Commercial Redistribution: No commercial use (e.g., downloading, posting of a file, or printing to resell or distribute) of any articles is permitted without prior, express written permission obtained from the Publisher and/or the authors.
 - c. Interlibrary Loan: Because of the easily reproducible nature of electronic publications, interlibrary loan of articles or components in any electronic or digital form is expressly prohibited. Online Subscribers may fulfill interlibrary loan requests from other institutions via fax or paper document delivery under CONTU guidelines ([National Commission on New Technological Uses of Copyright Works](http://www.cni.org/docs/info.policies/CONTU.html), www.cni.org/docs/info.policies/CONTU.html), provided the printing is done locally and at the Online Subscriber's expense, and provided that only a limited number of copies of such articles will be made and distributed in this way.
 - d. Braille Transcription: The Online Subscriber may transcribe any portion of the *Journal of the Air & Waste Management Association* into Braille script or enlarged type for Authorized Users who are visually impaired. This can also be performed for other content in Online Subscriptions after permission from the author(s) is obtained.
 - e. Course Packs: All *Journal of the Air & Waste Management Association* articles used in course packs must be reprinted with the permission of the [Copyright Clearance Center](#) and should be included according to conventions applicable in the local country. All other materials in Online Publications must receive permission from Publisher and/or author(s) before use in course packs.
5. Online Subscriber agrees to the following:
 - a. The Online Subscriber is responsible for creating and maintaining reasonable security measures and posting policies consistent with the rights and restrictions described in these guidelines to ensure that only

Authorized Users can access Online Publications. The Online Subscriber is prohibited from making agreements for access to Online Publications with individuals, organizations, vendors, affiliates, or partners, which are not parts of the same institution purchasing this subscription. The Online Subscriber affirms that all IP addresses in the range listed for authorization are specifically controlled by the institution for workstations under its administrative control and for the use of individuals who meet the Authorized User definition above. The Online Subscriber is responsible for maintaining the list of IP addresses of all Authorized Users.

- b. If the Online Subscriber becomes aware of unauthorized access to Online Publications, it will notify the Publisher immediately and cooperate in locating and attempting to stop the specific individuals who are abusing the service. If the specific abuser(s) cannot be identified or stopped, the Publisher has the right to withhold, suspend, or terminate access to all or any portion of Online Publications, without liability.
 - c. The Online Subscriber agrees not to remove, cover, overlay, obscure, block, or change any copyright notices, legends, or terms of use which the Publisher may post on the site in order to inform users about system features, terms of use, or copyright notices.
6. **TECHNICAL ACCESS:** The Publisher intends for the site to be available 24 hours per day, 7 days per week. However, the Publisher **WILL NOT BE LIABLE FOR DAMAGES OR REFUNDS SHOULD THE SITE BECOME UNAVAILABLE TEMPORARILY OR ACCESS TO THE SITE BECOMES SLOW OR INCOMPLETE** due to system back-up procedures, Internet traffic volume, upgrades, overload of requests to the servers, general network failures or delays, or any other cause which may from time to time make the site inaccessible for the Online Subscriber's users.
7. **WARRANTY:** While the Publisher seeks to ensure the accuracy of content posted online, the Publisher **DOES NOT WARRANT OR GUARANTEE ITS ACCURACY, COMPLETENESS, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE. IN NO CASE SHALL THE PUBLISHER'S LIABILITY FOR ANY CONTENT OR ACCESSIBILITY PROBLEMS WITH THE SITE EXCEED THE AMOUNT OF SUBSCRIPTION FEES PAID FOR ONLINE PUBLICATIONS DURING THE 6-MONTH PERIOD PRECEDING ANY CLAIM OR NOTICE OF DAMAGES.**
